Third annual Non-event/Event Fundraiser

Help the PFA help your students and their school! (without ever leaving the house)

As parents we all want the best for our children, but with work, family, and friends it can be hard to actively participate in their school lives. This fundraiser allows parents to make even more of a difference in their children’s lives without the time constraint. The Non-event/Event fundraiser (run by the Parent Faculty Association) is an easy way to help your children’s education without even leaving your home. The PFA understands that the economy is hard with no substantial promise of it rising and we understand that funds are low, but your child’s experience at school will help shape their future. This understood, the PFA is asking each of you to make as much of a monetary donation as you can afford. With your contributions, the PFA will continue to enrich our schools through Programming, Gifting, Scholarships and the Safe Graduation Program.

Please help us help your kids! Fill out the form below and mail it out today...
