Immediately following graduation, students should change into comfortable clothes (sweats, shorts, T-shirts, sneakers) and check in by the Pascack Hills cafeteria.

Busses will depart promptly at 9 pm and return at approximately 3:45 am

Even though many students will be 18 and can legally drive home at any time of day or night, the PFA strongly suggests that parents pick up their children at 3:45 am. Yes, it is the middle of the night, but the students are exhausted when they arrive back after being awake for more than 20 hours. The bus chaperones will remind students to call their parents once the busses are close to the high school.

Students should NOT bring backpacks, handbags, drinks, water bottles or any kind of food, e-cigarettes/vapes/alcohol.

Students will be given a bag, water and snacks for bus ride. All bags will be checked before boarding the busses.
